YEAR IN REVIEW

Building lasting value in great companies

Through the significant challenges and uncertainties of 2021, TA was grateful for the dedication and creativity of our employees, portfolio companies and partners. We continued to seek new investment opportunities in leading companies and partnered closely with our portfolio companies to add value in their growth journey. We are proud to share some of the notable accomplishments and developments of the TA organization and the talented management teams leading our portfolio companies.

TA

IN THE COMMUNITY

TA has a longstanding commitment to maintaining the highest standard of ethics while building lasting value through our investments. Our approach is rooted in a deep responsibility to be good stewards of capital for our limited partners, portfolio companies and our broader communities. Closely aligned with this mission is supporting a healthy environment, advancing social equality and dignity, and promoting good governance principles.

Outside our firm, we are dedicated to supporting the communities in which we live, work and invest. We invite employees to participate in various events and charity work throughout the year and encourage our people to champion personal causes. Past non-profit partners include Cradles to Crayons (Boston), the Boys & Girls Club (Menlo Park), Second Harvest of Silicon Valley (Menlo Park), FareShare (London), Food Angel (Hong Kong) and Nanhi Kali (Mumbai).

In 2021, we were particularly proud to continue our long-standing partnerships with the Pan-Mass Challenge, in support of the Dana-Farber Cancer Institute, and the Greater Boston Food Bank.
